## From Motorcycles to MOXIE — A Story of Reinvention in Milwaukee

Life sometimes has a way of putting you on a new road—often when you least expect it.

Before opening MOXIE Food + Drink and Trouble and Sons Pizzeria, we were long-time motorcyclists and employees of Harley-Davidson Motor Company here in Milwaukee.

In December 2015, after a collective 30-some years at Harley-Davidson, our corporate jobs were eliminated in a company downsizing that impacted over 500 employees. It was time to reinvent ourselves.

Being immersed in the motorcycling industry for so long and sharing that passion with so many good people was a gift we were given. We witnessed first-hand the positive energy that is created by bringing people from different walks of life together when they share a common passion—no matter what their differences. That is how MOXIE and Trouble were born, with a mission to share a meal and share a moment, over great food and drink, with people we enjoy.

### MOXIE Food + Drink

We opened MOXIE Food + Drink on December 16, 2016. With an upscale-casual atmosphere, MOXIE has a full bar with both classic and craft cocktails. We take pride in delivering an excellent dining experience through inspired American comfort food and outstanding service, in a cozy and intimate setting. MOXIE is located at 501 E Silver Spring Drive.

### Trouble and Sons Pizzeria

Trouble and Sons Pizzeria and Italian restaurant opened its doors on October 16, 2018. In addition to great pizza, Trouble serves a menu of delicious Italian appetizers and pasta entrees, complimented by a unique wine list, in a warm rustic atmosphere. Trouble and Sons is located at 133 E Silver Spring Drive.

It brings us joy to see our guests celebrating, laughing, and sharing stories while enjoying our restaurants and enjoying each other. Thank you for joining us.

Cheers!  
Anne Marie and Tamela
