### **From Motorcycles to MOXIE — A Story of Reinvention in Milwaukee**

Life sometimes has a way of putting you on a new path—often when you least expect it.

Before opening MOXIE Food + Drink and Trouble and Sons Pizzeria, we were long-time motorcycle riders and employees of Harley-Davidson Motor Company here in Milwaukee.

In December 2015, after a collective 30-some years at Harley-Davidson, our corporate jobs were eliminated in a company downsizing that impacted over 500 employees. It was time to reinvent ourselves.

Being immersed in the motorcycling industry for so long and sharing that passion with so many good people was a gift we were given. We witnessed first-hand the positive energy that is created by bringing people from different walks of life together when they share a common passion—no matter what their differences. That is how MOXIE and Trouble and Sons were born, with a mission to be warm and welcoming places for you to share a meal and share a moment, over great food and drink, with people you enjoy.

**MOXIE Food + Drink** – 501 E Silver Spring Drive  
We opened MOXIE Food + Drink on December 16, 2016. With an upscale-casual atmosphere, MOXIE has a full bar with both classic and craft cocktails. The restaurant's primary focus is delivering an excellent dining experience through inspired American comfort food and outstanding service, in a cozy and intimate setting.

**Trouble and Sons Pizzeria** – 133 E Silver Spring Drive  
Trouble and Sons Pizzeria and Italian restaurant opened its doors on October 16, 2018. In addition to great pizza, Trouble serves up a rustic Italian atmosphere and a menu of Italian appetizers and pasta entrees, complimented by a unique Italian wine list.

We love seeing our guests sharing food and stories, laughing, and celebrating while enjoying our restaurants and enjoying each other. Thank you for joining us on this adventure.
